 Final Feasibility Study (FS)

The NL Draft FS was reviewed and comments sent to you in a memo dated February 9, 1993 (copy attached).

The Final FS has satisfactorily addressed Comments 1 and 2 in that memo. However, Comments 3, 4, 5, and 6 in the memo have not been included in the Final FS. Since all of these comments concern the choice of the preferred remedial alternative, it is not critical that they be addressed in the Final FS. They can be discussed in a later document.

I have no additional comments.
